3. Background

3.1 Requirement for Ancillary Services:

Transpower is the system operator under the Act and requires certain Ancillary Services in its capacity as system operator.

3.2 Contract:

This Contract sets out the terms on which the Ancillary Service Agent agrees to provide Ancillary Services.

4. Contract

4.1 Existing Contracts not Affected:

This Contract does not affect any other written agreement between the parties in force when this Contract is entered into.

4.2 Additional Parts and Ancillary Service Schedules:

This Contract may include any other Ancillary Service Schedules agreed in writing between the System Operator and the Ancillary Service Agent from time to time.

4.3 Commencement and Expiry:

~~Subject to any provision in an Ancillary Service Schedule that sets a different term for this Contract in relation to that Ancillary Service Schedule, t~~This Contract commences at 00:00:00 hours on 1 January 2026 and will (unless terminated earlier in accordance with this Contract) expire at 23:59:59 hours on 31 December 2027.

4.4 Ancillary Service Schedules

As at the date of this Agreement, the System Operator and the Ancillary Service Agent have agreed the following Ancillary Service Schedule(s):
