Revision of:

Kaiwera Downs Stage 2 to be classified as a Secondary Risk while commissioning

Transpower as system operator advises that from 12:00, 01 April 2026, Kaiwera Downs Stage 2 (KWE) will be classified as a Secondary Extended Contingent Event (ECE) Risk while commissioning. During this time up to 152MW will be added to the reserve requirement until the unit is fully commissioned.

An update will be sent if there is any change to the risk classification or the commissioning period, or when the risk is cleared.
