Revision of:

Notice of change to South Island AC Risks

Transpower as System Operator advises of changes to the default South Island AC Risks from 16:00 20th May 2026.

AC Contingent Event (ACCE): from 128 MW to 125 MW

AC Extended Contingent Event (ACECE): from 384 MW to 375 MW

The changes were due to the decrease of the maximum continuous output (MCO) of Manapouri generating units.

A revision of this notice will be issued if there is any change to the situation above.
