Round Power Status Change

Transpower as System Operator advises that the planned live line work on Benmore-Haywards 2 has been cancelled.

- ~~Tuesday 2 June 2026, 07:00 until 18:00~~
- ~~Wednesday 3 June 2026, 07:00 until 18:00~~
- ~~Thursday 4 June 2026, 07:00 until 18:00~~

Round power will be disabled during this work, preventing HVDC reserve sharing in the reverse power direction below the monopole minimum transfer.

The System Operator's business process for disabling and enabling FKC during HVDC monopole operation can be found on Transpower's website here:
