Test Notices sent

A number of System Operator test notices were sent in error at approximately 13:50 on 29 June 2026 due to planned work on Transpower's Salesforce Operational Notice system.

This includes a WRN notice for insufficient generation offers.

These notices references can be ignored:

Notice numbers 800000206, 800000207, 800000208, 800000209, 800000210, 800000211 & 800000212.

...

A revision of this notice will be issued if there is any change to the situation above.
